OPEN SUBMISSION

JOURNAL OF RESEARCH INITIATIVES ***(JRI)***

ISSN: 2168-9083

<http://digitalcommons.uncfsu.edu/jri/>

The Journal of Research Initiatives is inviting submission of research manuscripts. If you have a research article or material for consideration, please visit *JRI* website at: <http://digitalcommons.uncfsu.edu/jri/>. You will find submission guidelines and related materials.

The journal welcomes research and conceptual articles, research best practices, book reviews, and commentaries, in keeping with editorial policy. The inaugural issue provided a platform for researchers and educators to discover new research and development in the field of education. *JRI* areas of interest include, but are not limited to, the following topics:

educational leadership
administration and supervision
emerging issues in leadership
philosophy of education
K-12 academic achievement

theory of education
curriculum studies
K-12 teaching and learning
special education
best practices in education

teacher education
gender issues in higher education
technology in education
trends in higher education
cross-cultural studies

If you are interested in submitting a research manuscript that has not been previously published, please send your manuscript via the online submission system: <http://digitalcommons.uncfsu.edu/jri/>. Click on the journal link to review guidelines for submitting online manuscripts. Feel free to contact me for additional information.

The Journal of Research Initiatives (JRI) is a peer-reviewed journal which contributes to disseminating current research in the fields of K-12 and higher education through quantitative, qualitative, and mixed methodological approaches. The journal is published annually and openly welcomes your scholarly research. JRI also provides a forum for occasional special issues on notable topics in education. We released our first issue in December 2013.
