ACADEMIC ATTIRE*

American academic attire had its origins in medieval English universities. It was devised to distinguish academic persons such as doctors, licentiates, masters and bachelors from the lay person, in that everyone wore robes or gowns to ward off the cold. The wearing of the gown, hood and cap was adopted by American colleges and universities from this English custom.

The cap, in academic dress, has the same design for all degrees. Mortarboards are generally recommended, although soft square-topped caps are permissible. The tassel that hangs from the center of the cap usually designates the field of study of the wearer. The black tassel is correct for all degrees, however the gold tassel is worn by doctors.

The gown, unlike the cap, differs considerably in design according to the degree conferred on the wearer. The gown for the Bachelor's degree has pointed sleeves. It is designed to be worn closed. The gown for the Master's degree has an oblong sleeve. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has an arc cutaway. The gown may be worn open or closed. The gown for the Doctor's degree has bell-shaped sleeves. It is faced down the front with black velvet with three bars of the same across the sleeves: or these facings and crossbars may be of velvet of the color distinctive of the subject to which the degree pertains.

The hood for the Bachelor's degree is three feet in length, for the Master's degree, three and a half feet in length, and for Doctor's degree, four feet with panels at the sides. It is lined with the official colors of the university conferring the degree. Also, the discipline of the wearer is indicated by the colors in the hood.

The following is a list of colors as prescribed by the intercollegiate code to represent different disciplines in the institution:

Arts, Letters and Humanities	White
Business Administration	Sapphire Blue
Education	Light Blue
Music	Pink
Physical Education	Sage Green
Science	Gold Yellow
Social Sciences	Citron

ALL HAIL THE POWER OF JESUS' NAME!

All hail the power of Jesus' name!
Let angels prostrate fall;
Bring forth the royal diadem,
And crown Him Lord of all;
Bring forth the royal diadem
And crown Him Lord of all!

O that yonder sacred throng
We at His feet may fall!
We'll join the everlasting song,
And crown Him Lord of all;
We'll join the everlasting song,
And crown Him Lord of all! A-Men.

ALMA MATER "Old White and Blue"

Our colors so true, oh hail white and blue!
To Thee our Voices sing
Tho' seasons may roll, and changes unfold
Thy praise we'll ever-sing
All honor and love and loyalty
We pledge our hearts anew,
Our Alma Mater, F. S. U.
We hail thee, Old White and Blue!

We cherish each hall, each time honored wall
Each bending tree and bower
Tho' far we may roam, thy spirit leads on
To victory and power
With courage and might and majesty
March on old colors true
Our Alma Mater, F. S. U.
We'll stand by Old White and Blue!
