ACADEMIC ATTIRE*

American academic attire had its origins in medieval English universities. It was devised to distinguish academic persons such as doctors, licentiates, masters and bachelors from the lay person, in that everyone wore robes or gowns to ward off the cold. The wearing of the gown, hood and cap was adopted by American colleges and universities from this English custom.

The cap, in academic dress, has the same design for all degrees. Mortarboards are generally recommended, although soft square-topped caps are permissible. The tassel that hangs from the center of the cap usually designates the field of study of the wearer. The black tassel is correct for all degrees; however, the gold tassel is worn by doctors.

The gown, unlike the cap, differs considerably in design according to the degree conferred on the wearer. The gown for the Bachelor's degree has pointed sleeves. It is designed to be worn closed. The gown of the Master's degree has an oblong sleeve. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has an arc cutaway. The gown may be worn open or closed. The gown for the Doctor's degree has bell-shaped sleeves. It is faced down the front with black velvet with three bars of the same across the sleeves; or these facings and crossbars may be of velvet of the color distinctive of the subject to which the degree pertains.

The hood for the Bachelor's degree is three feet in length, for the Master's degree, three and a half feet in length, and for Doctor's degree, four feet with panels at the sides. It is lined with the official colors of the university conferring the degree. Also, the discipline of the wearer is indicated by the colors in the hood.

The following is a list of colors as prescribed by the intercollegiate code to represent different disciplines in the institution:

Arts, Letters and Humanities	White
Business Administration	Sapphire Blue
Education	Light Blue
Music	Pink
Physical Education	Sage Green
Science	Gold Yellow
Social Sciences	Citron

LIFT EVERY VOICE AND SING

By James Weldon Johnson

Lift every voice and sing,
Till earth and heaven ring,
Ring with the Harmonies of Liberty;
Let our rejoicing rise
High as the listening skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that
the dark past has taught us
Sing a song full of the hope that
the present has brought us;
Facing the rising sun
of our new day begun
Let us march on till victory is won.
God of our weary years,
God of our silent tears,
Thou who hast brought us thus far on the way;
Thou who has by Thy might,
Led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places,
our God, where we met Thee
Lest our hearts, drunk with the wine
of the world, we forget Thee
Shadowed beneath Thy hand,
May we forever stand,
True to our God, True to our native land.

ALMA MATER "Old White and Blue"

By Mary T. Eldridge

Our colors so true, Oh Hail, White and Blue!
To thee our voices ring,
Tho' seasons may roll, and changes unfold
Thy Praise we'll ever sing.
All honor and love and loyalty
We pledge our hearts anew,
Our Alma Mater F.S.U.
We hail Thee, Old White and Blue.
We cherish each hall, each time honored wall
Each bending tree and bower,
Tho' far we may roam, Thy spirit leads on
To Victory and power.
With courage and might and majesty
March on old colors true,
Our Alma Mater, F.S.U.
We'll stand by Old White and Blue!
