The mace, a ceremonial staff, originated during the Middle Ages as a symbol of authority. Borne by the Chief Marshall in all university academic processions, the mace was commissioned by the Office of the Chancellor and will be used for the first time during the 1986 commencement recessional.

The mace is approximately forty inches in height and is comprised of cast brass and walnut. The head is cast in solid brass with antique finish and is four and one-half inches on each side with rounded corners. On each of the four faces appears the Fayetteville State University Seal with the University motto *Res Non Verba*, "Deeds Not Words."

Underneath the head is a one-inch brass collar fitted around a thirty-six-inch solid walnut staff, tipped with a six-inch cast brass point. When unattended, the mace stands in a solid walnut base.

Designed by Mr. Terry Wessinger, Art Director of Murchison and Bailey, Inc., the mace was sculptured and produced by Mr. Bill Keene of the Greensboro, North Carolina Art Foundry.

## ACADEMIC ATTIRE\*

American academic attire had its origins in medieval English universities. It was devised to distinguish academic persons such as doctors, licentiates, masters and bachelors from the lay person, in that everyone wore robes or gowns to ward off the cold. The wearing of the gown, hood and cap was adopted by American colleges and universities from this English custom.

The cap, in academic dress, has the same design for all degrees. Mortarboards are generally recommended, although soft square-topped caps are permissible. The tassel that hangs from the center of the cap usually designates the field of study of the wearer. The black tassel is correct for all degrees; however, the gold tassel is worn by doctors.

The gown, unlike the cap, differs considerably in design according to the degree conferred on the wearer. The gown for the Bachelor's degree has pointed sleeves. It is designed to be worn closed. The gown for the Master's degree has an oblong sleeve. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has an arc cutaway. The gown may be worn open or closed. The gown for the Doctor's degree has bell-shaped sleeves. It is faced down the front with black velvet with three bars of the same across the sleeves; or these facings and crossbars may be of velvet of the color distinctive of the subject to which the degree pertains.

The hood for the Bachelor's degree is three feet in length; for the Master's degree, three and a half feet in length; and for the Doctor's degree, four feet with panels at the sides. It is lined with the official colors of the university conferring the degree. Also, the discipline of the wearer is indicated by the color in the hood.

The following is a list of colors as prescribed by the intercollegiate code to represent different disciplines in the institution.:

Arts, Letters and Humanities	White
Business Administration	Drab
Education	Light Blue
Music	Pink
Physical Education	Sage Green
Science	Gold Yellow
Social Sciences	Citron

## ONWARD, CHRISTIAN SOLDIERS

Onward, Christian soldiers, Marching as to war,  
With the cross of Jesus Going on before!  
Christ the royal Master, Leads against the foe;  
Forward into battle, See his banner go!

At the sign of triumph Satan's host doth flee;  
On, then, Christian soldiers, On to victory!  
Hell's foundations quiver At the shout of praise;  
Brothers, lift your voices, Loud your anthems raise!

Like a mighty army Moves the church of God;  
Brothers, we are treading Where the saints have trod;  
We are not divided; All one body we,  
One in hope and doctrine, One in charity.

Onward, then, ye people, Join our happy throng,  
Blend with ours your voices In the triumph song;  
Glory, laud, and honor, Unto Christ the King;  
This thro' countless ages Men and angels sing.

### REFRAIN

Onward, Christian soldiers, Marching as to war,  
With the cross of Jesus Going on before!

## ALMA MATER *"Old White and Blue"* by Mary T. Eldridge

Our colors so true, Oh Hail, White and Blue!  
To thee our voices ring  
Tho' seasons may roll, and changes unfold  
Thy Praise we'll ever sing.

All honor and love and loyalty  
We pledge our hearts anew,  
We hail Thee, Old White and Blue.

We cherish each hall, each time honored wall  
Each bending tree and bower  
Tho' far we may roam, thy spirit leads on  
To Victory and power.

With courage and might and majesty  
March on old colors true,  
Our Alma Mater, F.S.U.  
We'll stand by Old White and Blue!
